LOOKING FOR HEROES

America is obsessed with heroes. The Old West had Bat Masterson and Wild Bill Hickok. Later came President Franklin Delano Roosevelt, General George S. Patton, President John F. Kennedy, astronaut Neil Armstrong and, most recently, airline pilot Chesley "Sully" Sullenberger. Heroes are resilient, unflappable and, most of all, masculine. If someone doesn't appear to be strong, Americans will back away. We tend to dislike people who are weak. Barack Obama was elected President because he was seen as a hero. Now he has to build on that. If he can't, he won't win a second term.

CELEBRITY FANTASY

WHAT WOULD

Marie Osmond

LOOK LIKE WITH A
DILDO IN HER MOUTH?

Doesn't matter if you're a little bit country or a little bit rock 'n' roll. Seeing the '70s icon-turned-diet spokesmodel with a dick in her mouth is hot.

DISCLAIMER. Parody: No such picture of Marie Osmond actually exists. Does it, Donny? This composite fantasy picture is altered from the original for our imagination, does not depict reality and is not to be taken seriously for any purpose.

IT'S AN
UP THING

Nothing gets you up like the crisp taste of 7-UP. Especially back in the 1930s, when the soft drink was packed with lithium. Until the mid-1940s it was legal to put the mind-altering drug into beverages. No wonder they call them "the good old days."

Kottonmouth Kings love HUSTLER.

PHOTOS BY THEHARDCOURSE.COM

The Sunset Strip Music Festival was the ultimate street party. Thousands attended the two-day extravaganza, which featured live performances by dozens of acts, including Kottonmouth Kings, Korn and Ozzy Osbourne. Adding to the fun, sponsor HUSTLER Hollywood contributed a trio of porn beauties—Eden Adams, Scarlett Fay and Lindsey Meadows—to greet and grope the fans. Rock stars and porn stars—now *that's* a party!

NEWSBITES

Booze & Tattoos

We've long heard that a night of drinking can lead to an unfortunate morning, especially if the boozier wanders into a tattoo parlor. A 27-year-old Swede learned this the hard way when he woke up with a six-inch penis inked onto his thigh, just below his crotch. The goof is now desperate to have the tattoo removed, claiming it's larger than his own cock. He should have had a battleship tattooed onto his chest; they're always smaller than an actual naval vessel.

Nonlesbian Lesbians

We love lesbians! But there are some sour grapes out there who don't. Three residents of the Greek island Lesbos want the world to know that its inhabitants, who are known as Lesbians, aren't a bunch of pussy-eating women. They have gone so far as to ask a court to prevent a major gay rights organization from using the word lesbian in its name. Wait! So Lesbos isn't full of horny girl-on-girl action? Cancel our trip!

Well-Built

Construction workers are known for yelling and whistling at hot women passing by. But have you ever wondered if a hottie actually took the hammerheads up on their catcalls? A crew in Vienna, Austria, had their chance recently when a lady disrobed and headed their way screaming, "Who wants me?!" None of the hardhats volunteered (what, were they gay?!), and police eventually arrested the woman. If a hysterical chick showed up at HUSTLER naked, one of us would gladly use our favorite tool to nail her.

**SOFT-CORE

ALLEY CATS

Here's an event that's right up our alley. Once again free speech advocate Bill Margold invited his horny porn pals and their fans out for a night of Bare Bowling to raise money for the PAW Foundation, which helps improve the lives of people in the adult industry. On hand for the latest charitable get-together were dozens of performers, including Anita Blue, Anita Cannibal, Evan Stone and the ever-present Ron Jeremy.

PRICKLY PLANT

People travel from around the world to see natural wonders: Niagara Falls, Old Faithful, the Grand Canyon and this—the Jacking Cactus. The real-life plant is located in the heart of Saguaro National Park outside Tucson, Arizona. We kid you not.

BROKE-ARSE BARBIE

When we heard that Mattel was putting out a homeless Barbie doll, we were stoked that the toy company was trying to be hip and creative. Of course, it turned out to be a hoax. No surprise. We know some of the folks at Mattel, and none of them are hip or creative.

"Sex is like snow: You never know how many inches you're going to get or how long it will last." —PHYLLIS DILLER, COMIC

God, she's stupid! There are breadsticks with a higher IQ than Congresswoman Michele Bachmann (R-Minnesota). But, honestly, if you're into older women, she is very fuckable. Not warm and fuzzy "I love you" fuckable. More like bound-gagged-and-hooked-up-to-an-Accu-Jack fuckable. And ya know, Michele probably needs a good fuck because her husband certainly doesn't look up to the task. We're not saying Dr. Marcus Bachmann is gay, but he sure comes across as a flaming queen. Poor Michele.

Lack of sex could explain why she is so totally and completely head-banging-against-the-wall crazy. Spend your entire life thinking sex is only for procreation, and we guarantee you'll hear God talking to you too.

You know about that God thing, right? Bachmann claims that Jehovah told her to run for the U.S. Congress. She also suggested that the swine flu is some kind of Democratic conspiracy, that Obama wants to destroy America and that the people of Minnesota should be "armed and dangerous on the issue of the energy tax." If you can say things like that, you almost have to be hearing voices in your head.

But let's step back and consider Michele Bachmann on the merits. Wait! There are no merits! Only a string of ignorant and/or insane positions going all the way back to 1993, when she and other parents established the New Heights Charter School in Stillwater, Minnesota.

Bachmann very well might have been hearing voices back then too. At the publicly funded school she supported the teaching of Creationism (a belief system that disregards scientific facts). Guess Bachmann didn't think it important to maintain the separation of Church and State. Thankfully, the taxpayers did, and she was pressured to resign from the charter school's

board of directors.

More dustups with reality followed. In 2003, while serving as a state senator, Bachmann proposed a Constitutional amendment banning same-sex marriage. (It was defeated then and again when it resurfaced in 2004 and 2005.) Her church, part of the Evangelical Lutheran Synod, apparently believes that the Catholic pope is the antichrist. And Bachmann herself has accused fellow lawmakers of being anti-American.

Here are her exact words: "I wish the American media would take a great look at the views of the people in Congress and find out, are they pro-American or anti-American?"

You understand, of course, that when Bachmann says "anti-American," she's referring to people who do not share her rabid, Bible-thumping, empty-headed, extreme right-wing point of view. Those people include Speaker of the House Nancy Pelosi, Senate

Majority Leader Harry Reid and even President Barack Obama.

Let us point something out to this befuddled religious zealot: Attacking policies of a previous administration—say George W. Bush's, for example—does not mean you are anti-American. It means you oppose invading a country for no justified reason (Iraq) and trashing our Constitutional safeguards (the USA PATRIOT Act). Actually, if you get right down to it, what could be more anti-American than gutting the Constitution?

Meanwhile, Bachmann has declared war on sanity. When she suggested that the citizens of Minnesota should be "armed and dangerous," she also mentioned: "Thomas Jefferson told us, 'Having a revolution every now and then is a good thing' and the people—We the People—are going to have to fight back hard if we're not going to lose our country."

Michele Bachmann

Oops! Guess we've answered the question about what could be more anti-American than gutting the Constitution: calling for armed revolution against our government! That is exactly what Bachmann is advocating.

Here's what Bachmann's right-wing followers must understand: She may start out with a basic fact, something that is happening and should be of concern. Then, after compressing it down to its most simplistic form, she throws some wacky, double-think spin on it.

Take healthcare reform. Bachmann called the public option "a government takeover of healthcare" that would "squeeze out private insurance." In reality, only a small percentage of people would be eligible for a public option, and private insurers have nothing to fear. Obama's reform package is actually a financial bonanza for the healthcare industry.

Bachmann is apparently too stupid or too confused to grasp what's going on, much less figure out any subtlety. Or the congresswoman is intentionally misleading her constituents. Either way, she needs an intervention. You shouldn't yell "Fire!" in a crowded theater. And you shouldn't yell "Revolution!" without just cause. Those who do such things need to be hospitalized, educated or taken off the stage—in Bachmann's case, by the voters.

As part of Michele's desperately needed treatment, maybe her husband could step up to the plate. Your wife needs a good pounding, Marcus! Clear out her tubes so she can start to think clearly. We know it'll take time for Michele to regain her reasoning skills, but with help and compassion she might eventually be able to dress herself and utter a coherent thought.

Until then, the people of Minnesota are represented by an Arsehole who is spreading her poisonous lies throughout the country.

FARTS IN THE WIND

• **SENATOR THAD COCHRAN** (R-Mississippi) blocked Senate passage of the Credit Card Rate Freeze Act. Connecticut Democrat Christopher Dodd's bill would have prevented credit card companies from raising customers' interest rates, fees and finance charges on existing balances until the Credit Card Accountability, Responsibility and Disclosure Act takes full effect.

• **ROGER GOODELL**, commissioner of the National Football League, has been derided as presiding over the No Fun League. He has routinely leveled fines for a bevy of on- and off-field transgressions. But Mr. Goody Two-Shoes, who once docked three Miami Dolphins for a choreographed touchdown celebration,

has added a pair of recent rulings to his stinky résumé. He fined the Cincinnati Bengals' Chad Ochocinco 20 grand for handing a ref a \$1 bill while a play was under review. Was the flaky receiver really offering a bribe? We always thought sports should be entertaining. Equally entertaining was 86-year-old owner Bud Adams flipping the bird while his Tennessee Titans were trashing the hometown Buffalo Bills. The commish, who was at the game, later fined the old coot a quarter-million bucks! Ouch! Since Goodell also thwarted blowhard Rush Limbaugh's bid to own part of the St. Louis Rams, we can imagine what he'd do if Larry Flynt wanted to be the guy who brought pro football back to Los Angeles. 🐷

"I always say it isn't important what religion it is; the important thing is that you worship."

**HUSTLER

Larry's Rebellion

I'd like to comment on Larry Flynt's reflections regarding a man I know has always been one of his heroes, Daniel Shays, leader of the Shays' Rebellion [Common Sense 2009, January '10]. Hooray for Shays, I say, and hooray for Larry for bringing him to mind in such a timely fashion. Also, I have not seen Matthew Arnold's poem "Dover Beach" quoted more appropriately than it was in the January '10 Beaver Hunt. I think Larry ought to consider another run at elected office. With Jerry Brown and Carly Fiorina as the likely opponents in November, Larry should throw his hat into the ring for governor of California. This time he could win. (If he does, I'd like a government job with full healthcare and substantial kickbacks.)

**-Lee Quarnstrom,
Los Angeles, California**

In It to Win It

Last week I received a digital videocamera as a result of my entering a drawing in the October '09 HUSTLER. That was the second prize I've won from your fantastic free speech magazine. The first one was a sophisticated tracking device. Being generously rewarded like this as a loyal reader to the only publication that informs me of what Utah and U.S. news leave out is why I am going to resubscribe. You have earned my hard-earned dollar.

**-Don Connoles,
Salt Lake City, Utah**

The Good Bush

Bring back bush (not George). The Holiday '09 centerfold, Bobbi Starr, along with the

recent HUSTLER classic layouts have me crying for a return to pubic hair. With all the landing strips and bald beavers in recent years, I've forgotten how beautiful a woman can be with a full thatch. It has been a nice change of pace to see women the way God created them.

-Dennis S., London, UK

I just wanted to say how great it is to see vintage photo-spreads from decades ago. I enjoy seeing women with hair on their genitalia, something that is sadly lacking in most modern photo-spreads. Keep up the great work!

**-Mike Pace, Greensburg,
Pennsylvania**

Bimbos in Limbo

The January '10 issue was great. See? You don't need all those blond bimbos. One per issue is enough. The only thing missing was a hot Asian. Even Kayla Hart admits she dyed her hair black because she didn't want to be a blond bimbo!

**-A.O., Succasunna, New
Jersey**

Unfit to Print?

I've been getting HUSTLER Magazine for many years. I just noticed that the wrapper is printed in Canada. With the economic mess we have here, why did Canadians get to print it? There must be someone here in the USA that can print a magazine wrapper. I'm disappointed in Mr. Flynt after all the preaching he does. Maybe he should spread the word to his readers: Printed in Canada.

**-R.W.K., Huntington Beach,
California**

Our masthead discloses that HUSTLER is printed north of the border. The majority of adult titles are printed in Canada because 99% of U.S. printers will not allow explicit sexual material in their plants.

The Hole Truth

What happened? I'm disappointed in the Holiday '09 issue. You're getting more and more

Thanks to our screwup, you get another gawk at lovely Kayla Hart. In our issue 36 we should have credited the eye-popping photography to Holly Randall. Sorry, Holly!

like Playboy and Penthouse. You're showing less pink, and the models aren't spreading their assholes like they used to. Either have the photographers tell the models to show more pink and wide-open buttholes or I'm going to cancel you!

**-H. Flint, Hawthorne,
California**

Skin-Deep

I can't believe letter writer Mike Turner [Feedback, January '10] is that clueless about beauty queen Carrie Prejean, your November '09 Asshole of the Month. Imagine if she had been asked about interracial marriage and said she thought it was wrong (like some evangelicals do). Never mind that if it were

up to them, there would be no HUSTLER or any porn for that matter. Mike doesn't realize that once fanatics attack a particular group, they don't stop there. Milos Forman said that one reason he directed The People Vs. Larry Flynt was because when the Nazis invaded his homeland of Czechoslovakia, some of the first groups they went after were pornographers and the gay community. Eventually, the Nazis' quest to destroy what they didn't like led to millions of people, including Forman's parents, being murdered. I hope Mike realizes some day that religious hypocrites like Carrie Prejean (now in a sex-tape scandal) aren't harmless. They have a very disturbing agenda.

-A.K. Rockford, Illinois

A DAY IN THE LIFE OF SUNNY LEONE

ONE OF THE BIGGEST NAMES IN PORN SURPRISES OUR WRITER WITH HER EPIC LOVE STORY, ARTISTIC TALENT AND WIT.

YOU CAN TELL WHEN SHOWBIZ COUPLES ARE IN LOVE FOR REAL. Bogart and Bacall. Hepburn and Tracy. Brad and Angelina. Grey's Anatomy star Katherine Heigl and her ego. The genuine affection oozes from the screen in every one of these examples, and audiences lap it up.

Why? Nobody knows. But since the art of storytelling began, everybody loves a love story. And that's what this tender tale is about: the XXX love story of Sunny Leone and Daniel Weber—two attractive young people who have eyes only for each other and fuck on camera for money.

But Sunny Leone wasn't always the outgoing, super-sultry woman of countless men's tent-pitching dreams. As impossible as it seems, the same person who now markets the Sunny Leone Exciter

CASHING IN HOW SUNNY LEONE IS TURNING FAME INTO FORTUNE

"Take control of me online, and I'll do whatever you want," Sunny Leone purrs seductively into the camera. "Take me or one of my sexy friends for a live chat and have your way with us."

Clad in a black see-through negligee that would make its manufacturer proud, Ms. Leone is showcasing her awe- and erection-inspiring body, seductively reciting a string of promos for ImLive.com. Hugely successful, the global Internet site urges people to use the Web camera feature of their home computers for its optimally designed function: online interactive chatting with porn stars.

A machine-to-machine encounter arranged by these cyber matchmakers costs anywhere from \$7.99 to \$14.99 a minute, depending on how big the star is and the corner of the world the

customer resides in. (Point of interest: It's cheaper to jerk off in Albania than Atlanta, should anyone be thinking of relocating.)

In any event, ImLive links hordes of horny customers with Sunny's own Web site, SunnyLeone.com. In return, she's doing promos for the company with seemingly endless erotic energy.

Sunny is blessed with both a fashion model's face and a voluptuous body. In other words, she's built for lovin'. When she wets her lips and says breathlessly, "Stop watching and start chatting," it triggers a Pavlovian response in me to reach for my credit card.

"There's nothing more real than live action," Sunny suddenly chortles. "Chat live with your penis in your hand! Chat with my boobs! Chat with your finger up your butt!"

The director cracks up. "Five minutes!" he shouts. It's time for a break. A long afternoon of selling cybersex under the hot lights has caused Sunny to come down with a serious case of the giggles.

"She's great, isn't she?" the director remarks, shaking his head in admiration

as Sunny wanders off to grab a mineral water. "She's got it all."

He's right. That's why the trajectory of Sunny Leone's career keeps skyrocketing. Her latest XXX release is Sunny's *Slumber Party*, which she costarred in and produced, along with the perpetually smiling Daniel Weber. The film not only has the requisite amount of steamy, Rubik's Cube combinations of sexual acrobatics, but it's also genuinely funny.

In addition, Sunny recently completed a yet-untitled mainstream comedy. She plays a comically heightened version of herself being stalked by an obsessive young male fan. And get this: The movie was produced by no less an eye for up-and-coming talent than Mr. Will Ferrell. Sunny also has a mainstream adventure film in the can, *Pirates Blood*, which was recently purchased for distribution by Paramount. Finally, a distribution contract with Vivid Entertainment allows Sunny and Daniel to develop a slate of new adult projects under their Sunlust Pictures banner. Life is fast, profitable and getting more high-profile by the day for porn goddess Sunny Leone.

PHOTOS BY M. ALLEN NATHAN

Vibrator used to be shy.

Sunny's parents were born in India, where pornography is illegal to this day. When the couple migrated to this country, they brought their homeland's traditional values with them. Keeping an extremely watchful eye on their young daughter, they enrolled her in a strict Catholic school. "My parents were really conservative when I was growing up," Sunny reminisced over lunch with Daniel and me. "They were always sheltering me. I think that's why I'm so extroverted now."

Sunny's rebellion was slow in coming. She was studying nursing when a classmate—a part-time exotic dancer—introduced her to a modeling agent. He, in turn, introduced Sunny to a photographer for Penthouse, who offered her a nude-modeling job.

"I was a nervous wreck," Sunny recalled with a laugh. "I loved the idea of being in the entertainment business, but I was 18 years old. Up until this point I had never even seen an adult magazine."

Despite being scared, Sunny followed her instincts and began baring it all for the camera. In 2001 she graced Penthouse and HUSTLER. Things happened quickly after that: tons of magazine modeling, then a transition into film, first with women only and later boy/girl scenes exclusively with her fiancé at the time, Matt Erikson.

But things weren't meant to work out happily ever after with Erikson. "We were having all these [offscreen] threesomes," Sunny recalled. "It destroyed the dynamic of the relationship." The couple parted company.

Tired of pursuing true romance, Sunny decided to chart a new course. She was a porn star for chrissakes. Performers in the biz often have as many sexual partners as a respectable Tetris score. Up until this point, Sunny had been with only one onscreen guy. It was time to go crazy, she reckoned. Time to live a fast-paced, self-indulgent, hedonistic lifestyle.

But, alas, this is a love story, and the young lady's plans for an extended sex party on- and off-camera with multiple male partners wasn't meant to be. Sunny had hardly dipped a toe (not to mention a few other more alluring body parts) into serious promiscuity when she met Spyderz guitarist Daniel Weber at a party one night. (The band was

formed by Tera Patrick's husband, Evan Seinfeld, a respected musician who has performed with Biohazard and Damncracy, among others.)

Porn and rock 'n' roll. As Prince Charmings often are in these fables, Daniel was instantly smitten. However, Sunny still wanted to "go crazy," or so she thought. Over the next few weeks she turned down the guitarist's repeated requests for a date.

Eventually Sunny changed her mind and agreed to go out for dinner. "We barely ate," Sunny remembered. "We talked for like five hours." The chemistry was undeniable, and the two have basically been together ever since. Although Daniel still plays music, it's not his number-one priority.

"Sunny is my girlfriend, my partner in life," Daniel explained. "I don't look at myself as a performer. I just want to be with her. I'm really more into the business. I thrive on production."

With Daniel as her ultimate guitar hero, Sunny is the happiest she's ever been. The lovebirds work and play hard together almost 24/7. Surfing is their latest offscreen passion, and when they're not riding a wave or fornicating for fun and profit, they blissfully chill out with their two dogs in a stylish, restored Hollywood high-rise, which is also the perfect environment for Sunny to paint.

That's right: to paint. This wanton pleasure machine is not only a virtuoso with a bone daddy at full salute, but she's also pretty good with a brush and colors.

Standing proudly next to a painting that looked as good to my eye as anything Jackson Pollock ever attempted, Sunny confided, "I like to paint abstract art and work in weird gel mediums. I don't have a lot of self-confidence in my art yet, but one day, who knows? A show might be interesting."

Sunny Leone: the story of a beautiful, timid girl who was able to find true love, overcome her shyness and vanquish the porn industry. "Who knows?" is right. With soul mate Daniel Weber's support, the art world just might be her next conquest.

Television writer/director M. Allen Nathan is a two-time Emmy Award-winner. He also works as a script doctor on major Hollywood films.

"Booze made me lose my job, my home and my wife. I hated my job, that house and that cunt. Fuck you people!"

"I've got a female dog at home. He's probably picking up her scent on me."

Bedding Her Down

SAMANTHA RYAN

Is it odd," porn star **Samantha Ryan** asks us, "for a girl to have an inanimate object as her best friend? You see, right now my favorite vibrator is my best friend. Think about it: He's always there for me and never lets me down. I can't say the same thing for some of the guys I've known."

Does "he" have a name? "My vibrator?" **Samantha** shoots back. "Yeah, I call him 'the Man' because after I come, I scream, 'You the Man!'"

Has the tiny-titted temptress from Kansas ever considered getting a boob job? "Hell, no!" **Samantha** howls. "I like my cute little boobies, and no one I've been with has ever complained. When I started out, all kinds of people told me I'd never make it in this business unless I had big tits. But here I am still going strong. I refused to conform to that stereotypical vision of a porn girl, and I'm convinced that's the secret to my success."

Does sexy

Samantha have any other secrets? "To be appealing to men, you should keep some things private," she asserts. "Yes, I have secrets, but I'm not telling you."

JULIETTE BARDOT

Kickass Chick

PHOTOGRAPHY BY MATTI KLATT

I don't take any shit from anyone," says tough-as-nails

Juliette Bardot. "All my life people have said, You can't do this, and you can't do that. My attitude is fuck it! I can do whatever I want." That's why I started modeling. My old boyfriend said I wasn't hot enough, but here I am in HUSTLER! So I guess he can go suck it!"

Of course, tough-talking Miss **Bardot** doesn't mind a little rough stuff in the bedroom. "I enjoy some hair-pulling, spanking and nipple-pinching," she admits, "but I'm not into bondage or anything extreme. The one thing I definitely need is to be on top. A lot of men are selfish lovers and finish much too quick. If I'm riding a guy's cock, I can be sure to come first. I know a lot of people think of me as a bitchy tomboy, but I really am a girlie-girl at heart. I like romance. I just like it on my terms."

Reverend Michael wondered if his Sunday school class grasped the concept of going to heaven. "So, children," he beseeched, "if I sold my house and car and gave all the money to the church, then cleaned the church and mowed the lawn for ten years and was kind to animals and gave sweets to all the kids and loved my wife for the rest of my life, would that get me into heaven?" All the Sunday schoolers responded with an ear-splitting "No!" "Very good, children," the proud vicar retorted. "So how can I get into heaven?" From the back of the classroom, little Johnny yelled, "Ya gotta be fucking dead!"

The newest frozen dessert to hit stores is Barocky Road. It's a blend of half-vanilla and half-chocolate ice cream, surrounded by nuts and flakes.

HUSTLER Wisdom: Life is like a roll of toilet paper.
The closer it gets to the end, the faster it goes.

About to start her new job, a stupendously hot bimbo was asked by the company's computer technician to come up with a password. She started typing, and a minute or so later the tech asked for the password so he could verify it. "My password is MickeyMinnieGoofyPlutoSneezyBalooDonald Grumpy," the new secretary rattled off. "Why the fuck did you choose that as a password?" the dumbfounded computer guy wanted to know. "Gee whiz," the slapper huffed. "You told me to pick eight characters."

HUSTLER Advice: If you marry Miss Right, make sure her first name isn't Always.

After 28 years on the job, the White House gardener was recently fired after walking past the Oval Office and asking if anyone had seen the spade and the hoe. But his misfortune didn't stop there. "Those fucking hot lesbians living next door asked me what I wanted more than anything. I was quite surprised when they gave me a Rolex. It was very nice of them, but I think the lesbos misunderstood me. What I'd said was 'I wanna watch!'"

Rush Limbaugh received a call from a charity asking him to donate some of his clothes to starving Africans. "Fuck off!" the blowhard yelled back. "Anybody who can fit into my clothes isn't starving!"

For a birthday gift, Jack requested a ten-speed bicycle. "Son, we'd love to give you one," his father blabbered, "but the mortgage on our house is £280,000, and your mother just lost her job. There's just no way we can afford it." The next morning Jack's dad noticed the 12-year-old heading toward the front door with a suitcase. "Son, where are you going?" the puzzled dad inquired. Jack replied, "I was walking by your bedroom last night and heard you telling Mum you were pulling out. Then I heard her tell you to wait because she was coming, too. Well, I'll be damned if I'm staying here by myself with a £280,000 mortgage and no fucking bike!"

BRITAIN'S BORED HOUSEWIVES 4

R18

(WWW.YOURCHOICE.CO.UK)

Stripping for Freddie's roving lens, she suckles down on Freddie's meaty package before the housebound whore takes an arse and pussy stuffing. When G and Freddie come over to do some work on black slut Melvina's garden, they find themselves deep inside a different kind of hedge! As Melvina deep-throats on Freddie's cock, G services her from behind.

The boys are doing some work on Lara's house in scene three. Lara is mightily impressed when G pulls out his throbbing tool, so she falls to her knees to suck on his cock. Freddie gets into hot water next when bored housewife Loz catches him messing

around. Freddie soon has things in hand, playing with Loz's ample chest before some fine cowgirl fucking sees pint-sized porn star Loz pull Freddie to a very messy climax! Good sleazy fun all the way!

**MUST
HAVE**

ENGLISH NYMPHOS IN FISHNETS

(UNION FILMS)

R18

This new British release serves up a healthy dose of filthy fishnet fun with five dirty girls. We get minimal plot and maximum action, so it won't

strain your brain as much as it will strain your boxers!

The fun starts with cover girl Kyra, an attractive blonde babe in sexy specs and all the gear. A horny lad has given her a lift home from work and she sees him right by giving him a lift in the crotch region. "You know you want it," she says, and with her gums wrapped round his plums he's hardly likely to contradict her. After some mutual oral they go at it in a number of positions before the lucky guy unloads a generous portion of baby batter in her greedy mouth. She slurps it all down like a good porno slut should. Next up is the lovely Rio Mariah, a veteran porno chick who looks hot to trot in a pin-striped business suit with matching stockings and sussies. She takes a big dick over the office desk, including an anal bashing – the only backside action in the movie. At the end her stud blasts a thick semen salvo right in her eye... don't you just love it when that happens?

Scene three switches the venue to a low-rent massage parlour where extras are obligatory. A horny bloke gets a brisk rubdown from a tasty tart, who drops her dress to reveal some pretty nifty fishnets. After some slurpy oral he gets stuck into her tight twat, ramming her deep and hard over the massage table and finishing her off with a classic jism facebath. Now will he be paying by cash or credit card?

Pretty in pink, Phoenix is a slim blonde who is also a cock-crazed slut, which is nice. She teases a well-hung stud and rides his huge pole in cowgirl until her cunt is creaming. Then she takes the obligatory semen salvo to the face and mouth.

The final scene features a housewife type who calls herself Paris. Dark-haired and voluptuous, she responds to a guy's favourable comments about her fishnets by suggesting, "Why don't you have a play down there?" He gets stuck into her shaven haven with his tongue and then his prick, hammering her hard over the office desk. Though no award winner, *English Nymphs in Fishnets* is a solid British porno flick featuring a couple of attractive porno babes (Rio and Kyra) and some lesser hardcore sluts of the girl-next-door variety. Only one scene features anal, but all are well shot and will appeal to the core audience: fishnet fans! Count me in on that one. *This film is available from all adult stores - go to www.adultstorefinder.co.uk*

SMOKING SEX ALL WHITES

R18

(UNION FILMS)

Beautiful pornstar Charlee Chase smokes a cigarette before she starts to suck on her guys' cock, then gets her pussy licked while she drags deeply on this oral satisfier.

Roxanna looks every inch the dirty

slut as she illuminates her cigarette when she draws on it. She then swaps her all-white for all flesh as she imbibes a thick cock before she parts her shapely thighs. Top porn star Renee Richards smokes a cigarette as she sucks on a huge cock with amazing deep-throating skills. She is then bent double for a hard doggy-style shafting, getting so intense and wound-up that she squirts everywhere. The elegant and stunning Denice then does a sexy smoking show and receives a huge load of cum right in her smoky mouth! Watch as these gorgeous British smoking beauties engage in the ultimate in hardcore sexual ecstasy. Remember: wanking can damage your health! Go to www.adultstorefinder.co.uk

BUSTY CREAM TEAM

(SCORE GROUP)

R18

More voluptuous ladies from the Score stable get jiggy in a title that will appeal to MILF fans also. The *Busty Cream Team* can, and will, suck you dry. Aspen is a well-built brunette who drains the balls of a pervy Peeping Tom. Then black and beautiful cocktail server Africa services cock.

Next a computer repairman gives buxom Alix Lakehurst a new hard drive. Gabriella Michaels gives up her big tits to a big dick, sexologist Sabina Leigh offers a dude some pointers about hot breast-sex, and porn superstar Gianna Rossi takes on a big-cock stud in a battle of the sexes!

Very well shot in a studio setting this is a typically slick

Score production that delivers the goodies for fans of big and busty ladies. No extras though.

SLUTS AND THE CITY

R18

(PRIVATE)

Award winning porn star Tarra White, shows off the skills that won her "Best European Actress" in both Berlin and Paris in the autumn '09. She represents the sexually liberal and urban woman... obsessed with shoes and cock. Tarra, Katie Sweet, Renata Black and Cindy Dollar are city sluts, affluent and promiscuous. They call themselves try-sexual (they'll try anything) and they make the real

Samantha Jones look like a frigid Ugly Betty. They are more than just good friends and share their lovers and adore to eat each other out or lick the fresh creampie that has just been delivered to the front or back door. This is hardcore sex in the city, one of Private's best movies, and much hotter than the TV show!

MURDER MYSTERY WEEKEND

R18

(BLUEBIRD/PRIVATE)

At the creepy, sprawling Manor of Devil's End, twelve guests have gathered to play the game of *Murder Mystery Weekend*. Beautiful, flamboyant Veronica spells out the rules ... no phones, no contact with the outside world ... they're on their own. Gypsy astrologer Zanza warns them all of their impending doom, as the mystery weekend unfolds with titillating, hot sex as the body

count begins. And what bodies this movie has on offer! The cast includes Jodie James, Alexis Silver, Karlie Simon, Cyprus Isles, Eva Angelina, Carly Parker and Michelle Thorne. An ambitious and very sexy show from Bluebird Films made in conjunction with Private.

THE YEAR OF LOVING DANGEROUSLY

AN ILLUSTRATED
LOOK AT TED
RALL'S LIFE AS A
NEW YORK CITY
"RENT BOY"

In the summer of 1984—before he became a controversial cartoonist, commentator and writer—Ted Rall was just another unfocused college kid living in New York City. Ultimately, lack of focus, a medical emergency and an inability to get it together led to his being thrown out of NYU. That dismissal, coupled with a pair of unsympathetic parents who refused to take him in, left Rall homeless and suicidal in Manhattan.

Rall found a clever way to survive in the rough streets of the Big Apple. Picking up unsuspecting women, he had sex with them in exchange for food and shelter. While this seems like a sweet deal, life as a so-called rent boy comes with a price.

To recount his fascinating experiences in a graphic memoir, Rall teamed up with acclaimed artist Pablo G. Callejo (of *Bluesman* and *The Castaways* fame). Their brilliant collaboration is titled *The Year of Loving Dangerously*, and it's sure to be a best-seller. We loved this funny and disturbing true story so much, we decided to run a three-page excerpt.

The Year of Loving Dangerously, written by Ted Rall with art by Pablo G. Callejo and an introduction by Xaviera Hollander, is available at Amazon.com. 

ALBEIT NARROWLY, I HAD AGAIN AVOIDED THE IGNOMINY OF SPENDING A NIGHT OUTDOORS. BUT MY FEELINGS WERE CURIOUSLY MIXED. UNDER NORMAL CIRCUMSTANCES, THE EVENING WOULD HAVE BEEN PERFECT: THE MOVIE, THE SEX, MELISSA.

SHE WAS SMART AND FUNNY AND PILLOWY. YET THE EXPERIENCE HAD BEEN QUEERED BY THE INCONVENIENT FACT THAT I WAS DESPERATE.

I NEEDED
A BED.

TO GET ONE, I NEEDED TO BE CHARMING AND FUNNY AND GIVING. WOULD I HAVE FUCKED MELISSA THREE TIMES BEFORE GOING TO SLEEP HAD I NOT WANTED HER TO CONSIDER INVITING ME BACK? WOULD I HAVE GONE DOWN ON HER AS ENTHUSIASTICALLY? PROBABLY—EVEN AS A BOY, LICKING PUSSY HAD BEEN MY FIRST SEXUAL FANTASY.

ON THE OTHER HAND, I DIDN'T HAVE MUCH OF A CHOICE. BECAUSE I NEEDED HER, IT WAS IMPOSSIBLE TO ASSESS WHETHER I ACTUALLY *LIKED* HER.

BUT NOW THAT I'D BLUNDERED INTO THIS SORDID PRACTICE OF USING SEX IN ORDER TO SURVIVE, I WASN'T SURE HOW MUCH I LIKED IT.

Age: 47
Location: Van Nuys, California
See her at: FionaDeAngeloXXX.com

This is a column dedicated to the proposition that women do not achieve their full sexual power and beauty until they are well into their 30s and beyond.

With an array of tattoos and piercings in both nipples and her clit, it is safe to say there is nothing prudent about this 5-foot-2 stunner. Fiona, a force to be reckoned with, holds nothing back when it comes to expressing her opinions. When asked what she thinks of America's new fascination with cougars, she quickly answers, "Let's see. Older woman, younger man. Do you really need to ask?"

Besides an exercise regimen, Fiona says she keeps her rock-hard body in shape by having sex with her trainer. This includes hanging herself upside down as she sucks him off. Regarding her voracious sexual appetite, Fiona is open to all suggestions. For now her personal favorite fetish involves ropes and ball gags.

Fiona admits to feeling a lot sexier now than she did 20 years ago. "In attaining this confidence," she explains, "not only do I find myself attracting more men but women too! Lots of them! I'm 47 going on 30!"

Recently, Fiona has taken her unabashed love for sex to the next level by performing in the video Amateur Swinger Party and by launching her own hard-core Web site. Fans can even order custom-made videos of the uninhibited cougar acting out their wildest fantasies.

Up for just about anything, Fiona proudly admits, "The wildest place I've had sex was in a confessional booth. I achieve orgasm by being one nasty little slut." Amen!

GAME ON

Keeping Bad Company

Xbox 360 (version tested)

The Battlefield series of first person shooters is one of the most enduring in PC and console history. This year sees the sequel to Battlefield: Bad Company, but creators DICE have ditched some of the knockabout comedy repartee in favour of a

more serious tone. Whereas the previous game saw you in the guise of army grunt, Preston Marlowe, hunting for a dictator's stash of gold, this time you and your three buddies are tracking down a deadly secret weapon from the wilds of Alaska down through the sweaty jungles of South America.

But while the single player campaign will no doubt be enthralling, destructive and, er, "shooty", the real interest lies in the online multiplayer portion of the game. And multiplayer is something that DICE excels at. Last year, they made history with Battlefield 1943, one of the first (and most successful) download-only console multiplayer titles. It sold like hot cakes, although tragically DICE didn't follow up with new maps or downloadable content; they were too busy working on Bad Company 2.

To appease fans, the company issued a pre-launch demo on PS3 and Xbox 360, and we had a fiddle. Set in Port Valdez in Alaska, the demo features one of the game's two multiplayer modes (Rush), and sees you either attacking or defending key targets in a huge oil installation.

It's immediately obvious that DICE have made key improvements over the last game. The graphics are much, much slicker and the draw distance to the horizon is absolutely huge. Pick up a sniper rifle, and the level of detail available is stunning. But don't hang about: you'll be shot! As an attacker, you parachute into the action and can either hoof it on foot or grab one of BF:BC's key assets over rivals like Modern Warfare 2: vehicles. Oh yes, you can hop into a T90 tank and barrel into the action, jump on a quad bike or grab an Apache helicopter. And thanks to the improved Frostbite game engine, virtually every surface can be blown to smithereens, leaving your enemies no cover to hide behind. As with the previous game, you can unlock new weapons and specialities as you progress through the game, although this time DICE have trimmed down the classes slightly, which actually makes life a little

easier for newcomers.

It's fast and furious... when it plays properly.

Unfortunately, the demo on Xbox Live does have some lag (latency) issues. In other words, your character can be very hard to control, probably because so many people are trying to play

that the servers can't cope. This was an issue with the first Bad Company game at launch as well as Battlefield 1943, and we hope that this has been ironed out in time for the game's release. It's not a constant problem, but it can ruin a game if you try to run in a straight line and end up glitching through a solid wall and into a bullet. But when it works, it really, really works. The graphics are epic, but it's the audio which impresses even more. All in all, DICE and Electronic Arts have really answered Modern Warfare 2's thrown down gauntlet, and FPS fans are going to have a busy Spring. 🎮

The Dirty DOZEN

TWELVE NEW DISCS YOU NEED

SIGHTS & SOUNDS

KISS

Sonic Boom

You wanted the best?! You've got the best! Seriously. It is the best thing KISS has done since their late 1970s glory days. *Sonic Boom* blends the elements of *Destroyer* and *Love Gun* for a rocking, retro time. The bad news is you'll have to go to Wal-Mart to buy this exclusive three-disc set.

MICHELLE BRANCH

Everything Comes and Goes

Part early Dixie Chicks. Part Loretta Lynn. All for your checking out.

Recorded in Nashville, her first CD in six years is a country-tinged affair that borders on perfection full of twangy goodness.

CALVIN HARRIS

Ready for the Weekend
Scotland's funkiest export returns with a nonstop dance assault. His sophomore disc is so funky, it will make your distant cousins sweat. Not sure what that means? Then you have to check out this CD.

HALL & OATES

Do What You Want, Be What You Are

Hall & Oates, kings of 1980s white boy soul, were never hip. How could they be with John Oates's cheesy mustache and those goofy videos? Love 'em or hate 'em, you can't deny the hits. While most box sets are ego-driven affairs packed with filler, this four-CD box set is packed with early career rarities, dozens of sing-along favorites and live stuff.

IMOGEN HEAP

Ellipse

You have heard the music of Imogen Heap even if you don't know it. The towering Brit's songs have been placed in dozens of TV shows and films. Her latest release is packed with hypnotic vocals and brilliant instrumentation that may trick chicks into thinking you have a sensitive side.

GENESIS

Genesis Live 1973-2007

God bless the folks at Rhino Records. The geniuses behind the Genesis CD catalog upgrade in three lavish box sets have done it again! This, the fourth Genesis box set, gathers a wealth of the band's recorded live output and is impressive in both scope and design. There are eight CDs and three DVDs!

KATE EARL

Melody

Once a year a pop princess breaks to a wider audience: Sara Bareilles, Katy Perry, Leanna Ness. Now in 2010 comes the beautiful Alaskan singer Kate Earl. This disc is so good, we may even forgive Alaska for Jewel and Sarah Palin. Okay, maybe just for Jewel then.

THE USED

Artwork

Straight outta Utah! These angry-as-hell rockers know how to turn a heaping dose of self-loathing into poetic rock creations. Singer Bert McCracken's haunted emo crooning with big-ass chorus soars on a collection of inspired cuts.

BRENDAN BENSON

My Old, Familiar Friend

Jack White picks his coconspirators very carefully. That's why he chose Benson to be the lead singer of his side band the Raconteurs. Benson's fourth solo album is a heavenly slice of pure pop perfection worthy of being called "Beatles-esque."

FIVE FINGER DEATH PUNCH

War Is the Answer

"Hard to See," the first single from FFDP's sophomore CD, is a sonic assault that will pummel you into submission. And you'll like it so much, you'll beg for more. Remember when metal was metal and not hair metal or pop metal? Five Finger Death Punch does.

VARIOUS ARTISTS

7 Worlds Collide:

The Sun Came Out
Former Crowded House/Split Enz frontman Neil Finn gathered up a ton of his relatives, including brother Tim and nephew Liam, along with friends Johnny Marr, Jeff Tweedy and Ed & Phil (Radiohead) for this awesome two-CD benefit disc full of original material.

VARIOUS ARTISTS

Jennifer's Body Soundtrack

The film that was written by former stripper-turned-Oscar winner Diablo Cody stars mega-hottie Megan Fox. The soundtrack features a who's who of today's alt-rock rising stars, including Panic! at the Disco and Hayley Williams from Paramore.

DVD DISTRACTIONS

Because You Can't Watch Just Porn

SECRET DIARY OF A CALL GIRL: Season Two

Billie Piper is back as Belle, a high-end call girl who actually loves the sex, in the second helping of Showtime's sultry series. Belle's world is rocked when she breaks the cardinal rule of being a prostitute: "Don't fall in love."

FAMILY GUY: Volume Seven

Freakin' sweet! While most long-running series seem to run out of gas after just a few years, Family Guy continues to churn out cutting-edge hilarity. This three-disc set features one of its most biting episodes ever: "Family Guy."

X-MEN ORIGINS: WOLVERINE

Sure, you watched the whole film for free on the Internet, but that was the version without all the special effects. The DVD is worth checking out for all the claws-out action and over-the-top special effects.

Hailing from Australia's Gold Coast, alternative fetish model Aylin Tempest has found herself in all manner of compromising positions—whether it's for work or pleasure. "I love getting tied up, and I love spanking men," Aylin asserts. "There are DVDs out there of me kicking and trampling a guy for foot fetish lovers."

Although the music aficionada is currently in a straight relationship, that doesn't mean total exclusivity. Aylin is allowed to have female playmates—but not because her mate is inept when going down under. "In the past, women had been better at oral, but I enjoy a good pounding after," Aylin confides. "My partner does both real well. Give him a cherry stem or a lolly snake [a rubbery candy], and he'll tie it into a knot using just his tongue."

To say the least, Aylin is spunky, fearless and adventurous when she's "in the mood." The Aussie MySpacer has been down for escapades in peep show booths, on soccer fields and in random driveways at night. But one notch on her tempest belt has yet to be etched. "I haven't had sex with multiple partners," Aylin reveals with a glint of optimism. "I've never been that lucky—yet." 🍷

SHAYLA

In Fine Form

PHOTOGRAPHY BY JAMES BAES

There's a good reason why fit and foxy **Shayla** has a figure that won't quit. A serious gymnast who hopes to compete in the 1988 Olympics, she works out thoroughly every day. "My body is my most precious possession," **Shayla** explains. "It's important that I keep it in the best possible condition." But her physical conditioning comes in handy in other places as well, particularly the bedroom.

"I'm a real athlete. I need a powerful man in bed because some of my lovers have complained that I hurt them. I don't mean to—it's just that when I'm coming, I kind of lose control. I've been known to knock men to the floor just arching my back, and once I nearly crushed a poor guy's head between my thighs!"

Still, a roll in the hay with **Shayla** seems like a risk well worth taking. We wish her the best of luck in the Olympic trials. How can she fail to win a gold medal when she's already a perfect 10?

World's Smartest Porn Star

AJ BAILEY

AJ Bailey has it all:
beauty, brains and a body
that just won't quit.

Beauty: "You really have to work at being beautiful," the Vivid contract girl declares. "It's not something that comes naturally. I think the sexiest people I know are sexy because of the way they carry themselves. Their positive attitude and wit interest me more than anything else."

"I was definitely a late bloomer. You know, one of those dorky girls who spent all her time in libraries and museums. I didn't lose my virginity until college. But once I bloomed, I bloomed a lot!"

Brains: "People assume if you are a girl working in porn that you had no other options," **AJ** asserts. "They think you must be stupid. I'm obviously not that stereotype. Although I did drop out of high school, I soon realised I'd be going nowhere without an education. I went back and graduated from high school, college and even got a master's degree in anthropology from St. Andrews University in Scotland."

"Getting into the adult world was a business choice I made based on what was best for me. So far it has worked out great on several levels."

Body: "I like dressing up in creative outfits for sex," Ms. **Bailey** professes. "Something about that really turns me on. Whether it's a naughty schoolgirl or dirty cheerleader or this Little Bo Peep outfit I'm wearing for the shoot, dressing up makes sex fun. That's what it should be. Being in porn is the most amazing and fun thing I've ever done. I can't believe how lucky I am."

AJ BAILEY'S VITAL FACTS:

HOMETOWN: St. Louis | AGE: 29 | BIRTH SIGN: Virgo | HEIGHT: 5-8 | WEIGHT: 119

Coeds: Send us some sexy pictures of hot student bodies! To apply, follow instructions in entry form on page 87 and indicate *Real College Girls* on submission envelope.

REAL COLLEGE GIRLS

Krissi: Macomb Community College

Macomb Community College in Warren, Michigan, is a trend-setting institution. Most notably, it was the first C.C. to offer bachelor's degrees. This past summer the school gained additional cred when Barack Obama dropped by to deliver a speech on the American Graduate Initiative. Like the Prez, we cherish young people's desire to pursue an affordable education, but earning our highest praise are coeds willing to bare their bods.

A Macomber taking the initiative to share risqué pics is Krissi, a sophomore psychology major celebrating her 26th birthday in March. "I'm always flashing—even on the freeway," the "huge flirt" exults, "but sex in public rocks! 'Anywhere, anytime' is my motto! I've fucked in cars, parks, bar bathrooms and mall dressing rooms. I don't care if I get caught; that just makes it better!"

Also making Krissi's life better is the world of sports, namely basketball, football and hockey. "When you live near Detroit," the 5-foot-3 "Pistons and Red Wings fanatic" declares, "you have to be a fan! I can talk about the teams and players with the guys! I was a cheerleader from second grade throughout high school! I am very flexible."

Not to mention seductive, bi and nymphomaniacal. "My biggest hobby, besides networking and being a 4.0 party animal, is sex, sex and more sex," Krissi confides. "In bed I'm a freak. My tongue has superpowers—I love sucking a dude dry—but I also appreciate some nice pussy-licking before turning around and getting fucked from the rear!"

Looking ahead, the fan of Nickelback, Taylor Swift, Family Guy and Celebrity Rehab With Dr. Drew muses, "I'm dying to seduce my favorite professor before or after class. He's so-o-o-o hot. When I see someone I want, I always score!" As for her career aspirations, naughty Krissi announces, "I'm looking to be a sex psychologist just like Dr. Drew."

"Whip it out, guys!"

NICKY

■ "My guy is in Iraq, and he couldn't be more thrilled," raves this secretary and aspiring actress out of Canton, Ohio. "He never holds me back from something I want to do, even being naked in *HUSTLER*." Or screwing around in public places. "I get off on the thrill of almost getting caught," admits "very outgoing and adventurous" Nicky, 25. "I've had sex in a park during the daytime, while my guy and I were driving, under a roller coaster and at a porn store." Meanwhile, for less harrowing interests the 5-foot-3 tyro has social networking, music (Avril Lavigne, Kate Voegle, Michael Bublé), choreographing songs, writing and the boob tube (*Gossip Girl*, *Family Guy*, *South Park*, *Weeds*, *The Vampire Diaries*). "I'm a great person to watch TV with because I have the girly-girl tendencies," Nicky adds, "but I also can be a guy's girl and watch some basketball or football or a good old blow-me-up action movie." Before bidding adieu, the shaved—"It makes my pussy feel cleaner"—pizza, pasta and cereal lover whips up dessert: "I like being tied up, and my favorite positions are doggy-style and, for the best orgasms, on top. I haven't been with a woman in a while, but I love to know there's always cake, and I can eat it too!" As for Nicky's top fantasy, she muses, "I'd love to meet Johnny Depp someday; he's the most amazing actor ever!" —Photos by Friend

AMBER & ANGELINA

For months we've wondered what these twins from the Heartland would cook up next. How about a serving of the "inseparable" sweeties side by side in all their glory?

Our October '09 lineup introduced Amber, 23, a "bi, seductive, kinky and flexible" poet from Morgantown, Indiana. Lo and behold, Amber's "fun, loving, kind, unique and bi" twin sister Angela, an artist, followed in her footsteps a month later. Born first (by nine minutes) and the first to lose her virginity (waiting until she was 18), Amber reiterates, "Angela and I wanted to be a part of our fave men's magazine. We both love HUSTLER, being naked and sex!" So who couldn't love these uninhibited, 5-foot-5 siblings?!

"We have the ultimate sister bond," Amber relates. "Our closeness is inseparable. We shower with each other, we share our boyfriends and girlfriends, and we really enjoy experiencing new things together."

"We're crazy, sexy, adventurous and wild best friends!" Angela interjects. "We even sleep together—but just to feel close and keep warm."

"Although we might masturbate," Amber sheepishly acknowledges. "I guess some folk probably wonder if we do more than that. Anyway, being exposed in one of the world's greatest magazines was exhilarating! Posing nude with my twin sister was even more fun. Maybe Angela and I will make a career out of this! It's been a wonderful journey, so we will definitely be coming up with hot new pics for the world to see. Watch out!"

"Seeing myself in HUSTLER was sweet," Angela recalls, "but posing naked with Amber was even more exciting. Heck, we even went outside and did it again! I hope your readers enjoy lusting for us together! Remember, we're double the fun, double the pleasure and double the twat! Twin twats at that! Enjoy!"

NAOMI

"I'm kinda shy, but my wild side comes out at times," reveals Bunny, 36, a homemaker from Murray, Kentucky, with a perpetual urge to "be nude outdoors." Hopping to our confessional booth, the 5-foot-1 Bluegrass Stater avows, "My hobbies are sex, sex and sex. Giving head to my boyfriend really turns me on, especially during 69. I love a good tongue between my legs. I usually take charge, but I'd rather be told what to do." Bunny, whose do-list includes facials and anal, adds, "What I love the most is sex in public. Knowing that people might be watching makes me come twice as hard. The last time, my boyfriend socked it to me on a picnic table in broad daylight. I didn't see any people around, but I wasn't looking. Maybe there were some." Turning to her domestic viewing habits, Bunny divulges, "I mostly watch professional bull riding—I love those cowboys!—and porn. I like to masturbate whenever I can. I have lots of cool toys." And a hearty sexual fantasy: "I want to have a threesome with my boyfriend and another woman." —Photos by Boyfriend

"I beg my sex partners to slap my arse, pull my hair and slam the hell out of me!"

SHYLA JENNINGS & NIKKI BROOKS

Shyla (white bra): I'm into guys in my personal life, but that doesn't mean I won't occasionally experiment with girls. There's something extra-hot about going down on a girl every once in a while. It's especially steamy if my boyfriend is watching.

Nikki (blue bra): Guys can learn a lot about eating pussy from watching two women going at it. It's all about building to a climax. Start slowly, then lick all around the perimeter. Gently work a finger into her pussy and start sucking on her clit. That will get a girl off every time.

Shyla: If you can get a woman to come, she will be your sex slave. Seriously, I'm willing to do anything for a guy who gives me the big O. Anything! Even anal, which I didn't like at first. Now it's a regular option.

Nikki: Agreed. Nothing is off limits to a guy who can give as good as he gets. I love to give, but I really love to get!
